

K-LOVE Radio is a station I and my family listen to all the time. It is one of the rare stations I know we can listen together and not hear crude comments and unsuitable topics not meant for children. Not only are they a national radio station, they also do announcements for many local activities, i.e., church events, community events, etc. Most of these I would not learn about any other way.

If K-LOVE Radio was displaced by an LPFM broadcaster it would eliminate what we listen to on the radio. There is very limited Christian broadcasting and we feel very fortunate to have this radio station. I do not want to see that choice eliminated for me.

K-LOVE Radio has good, honest people reporting new, information, and uplifting music. It is clean entertainment that I'm not afraid to listen to with anyone in the car.

Please do not limit the radio stations I listen to and remove my ability to access this exceptional radio station.
